Subject: Updated AK itinerary and information on the Anchorage Municipal Plant
Attachments: Gina McCarthy Draft AK Travel 8-13.doc; Clips.docx

Hi Tom-

Please see the most recent version of the AK itinerary. I have moved the proposed trip to the Anchorage Municipal Landfill earlier on Monday, August 26 in case we want to make this a press event (though we haven't confirmed a time or availability yet). I couldn't find an official fact sheet that describes the technology, however I have attached a few local clips.

Hope this is helpful; please let me know if you have any questions about the itinerary, or would like for me to get more information about the landfill.
